

How to Register your CaribbeanTeam

To participate in the FLL-DR 2015 tournament, a registration fee of US\$450 is required. Instructions for the payment of this fee will be sent to you by email once the registration process is completed. This fee covers one registration fee per team per tournament (teams from 3 to a maximum of 10 students per team)

The FLL Challenge set is paid separate, and it contains:

1. Table cover
2. LEGO pieces with instructions for building obstacles challenge

The cost of the Challenge set is US\$300, delivered in the Dominican Republic. Please note it does NOT cover freight to your country, but we will arrange transport by courier/carrier of your choice.

Team Registration per Tournament	US\$450
Challenge Set	US\$300

Each team must have a LEGO MINDSTORMS NXT set that can be purchased from LEGO authorized distributors. If you already have a LEGO MINDSTORMS NXT set, is not necessary to buy another one. But you will need to have a computer to program your robot with NXT software . An internet connection is highly recommended in order to enter the FLL page in order to get further instructions and updates.

If your school or team wishes to participate in FIRST LEGO League it shall appoint a coach or teacher in charge of the team. This team will have to enroll using the registration form.

Once a team is officially registered, you will receive a confirmation email and your team number valid for your team throughout the season.

After registering, teams may choose to withdraw their registration. We ask you to send a brief email stating the reason for the withdrawal to: equipos@fll-caribe.org and we will cancel the registration. Please note however, that registration fees cannot be refunded.
