

Welcome to the *FIRST FORWARD*<sup>SM</sup> season!  
Here is some information to help you get started!

*FIRST*<sup>®</sup> LEGO<sup>®</sup> League Explore is one of three divisions of *FIRST* LEGO League, created to inspire youth to experiment and grow their critical thinking, coding, and design skills through fun hands-on STEM learning and robotics.

This year's *FIRST* LEGO League Explore challenge is called CARGO CONNECT<sup>SM</sup>. Children will learn about how cargo is transported, sorted, and delivered to its destinations. We have the power to build a path forward and invent the future of transportation. And it starts here, with you.

All *FIRST*<sup>®</sup> programs are built on a foundation of Core Values, celebrating discovery, impact, inclusion, innovation, teamwork, and fun. They will help guide your team through their journey and show what fun it can be to work together.

**You will receive the following items as part of your *FIRST* LEGO League Explore Season:**

- Explore Set
- Team Meeting Guide
- Engineering Notebooks

Read the Team Meeting Guide and Engineering Notebook to gain an understanding of the season and what you will need to prepare.

You will need **computers or devices with the LEGO<sup>®</sup> Education WeDo 2.0 software** downloaded from the [LEGO<sup>®</sup> Education website](#).

You will find important information and documents about the season on the *FIRST* LEGO League website [here](#). Click on the division block to find your season resources.

End your season with a celebration where your team shares what they have done! Please check on your local options as there may be remote or in-person options as well as registration requirements and fees.

If you are participating in our Class Pack option, check out the **digital Explore Class Pack Implementation Guide** and **Class Pack Festival Guide**, which you should have received access to when you registered.

**Good luck and have fun!**

Check our **season videos**, [FIRST LEGO League YouTube channel](#).
